WORK EXPERIENCE

Senior First Officer / Captain | **Pakistan International Airlines (PIA)** | Karachi, Pakistan | Jan 2020 – Present

- Operate Boeing 777-200ER on long-haul international routes across Europe, Middle East, and Asia
- Act as Pilot-in-Command on Boeing 737NG domestic and regional routes with 99.7% on-time performance
- Conduct pre-flight planning, fuel calculations, and route optimization to reduce operational costs by 12%
- Mentor and evaluate junior first officers during line training and simulator check rides
- Coordinate with ATC, dispatch, cabin crew, and ground teams to ensure seamless flight operations
- Completed 1,200+ PIC hours with zero safety incidents or AIRPROX reports

First Officer | **Air Arabia** | Sharjah, UAE | Mar 2017 – Dec 2019

- Operated Airbus A320 on scheduled commercial routes across GCC, South Asia, and North Africa
- Maintained full compliance with GCAA and EASA regulations throughout all operations
- Assisted Captain in flight planning, fuel management, and abnormal/emergency procedures
- Participated in LOSA (Line Operations Safety Audit) program contributing to safety improvements

Commercial Pilot / Flight Instructor (CPL) | **Karachi Flying Club** | Karachi, Pakistan | Jun 2015 – Feb 2017

- Instructed student pilots on Cessna 172 and Piper PA-28 aircraft for PPL and CPL training
- Accumulated 800+ flight instruction hours with 35+ students achieving successful license completion
- Developed standardized training curriculum adopted by the club for instrument rating courses
